WHAT TO EXPECT

1. **Your MOPS Fundraiser Mini Sessions includes:** pre-consultation for wardrobe, a 10 minute session per family at one location along with 3 digital files, and an online ordering gallery available for 10 days. **Portrait session must be booked in advanced with \$50 deposit via cash or check. EMAIL Jenn@designsbyjmb.com to reserve your portrait time.**

2. Please arrive to your portrait session 5 minutes prior to the start of your session. Late arrivals can not be refunded or rescheduled. Please do not come earlier than 15 minutes to be fair to my other clients. **If you arrive early, please remain in your car until 5 minutes before your session or until photographer calls you.** Please know that if your child is sick we can reschedule so do not hesitate to err on the side of caution. Sick kids do not want their photo taken anyways! In the event of inclement weather, as determined by the photographer, a rain date is set for March 11, 2018.

3. Two weeks after your portrait session Designs by JMB will email you a link to your online gallery. You will have 10 days to choose your products. Three digital files printable up to 8x10 are included with your session fee. Additional digital files are available for purchase for \$15 a digital file and will be available for immediate download. Canvas, enlargements, and albums are available for purchase. Please contact Jenn@designsbyjmb.com or 609-462-9193 for more information.

Thank you and I look forward to working with your family!
